About Us 關於我們

Founded in 2001, Chaozhou Tongheng Technology Co., Ltd. boasts over 20 years of expertise in electrical appliance R&D and production. Specializing in small household appliances such as fans, humidifiers, aroma diffusers, and night lights, we export widely to Europe, Americas, Russia, Japan, Korea, and Southeast Asia. Passionate about catering to customer needs and feedback, we actively innovate and refine our products, striving to bring ever-improving offerings to the market. We warmly welcome partnerships and collaborations that foster mutual growth.

潮州市通恒科技有限公司，創立於2001年，擁有超過二十年之電器產品研發與生產經驗。我們專注於生產小型家電產品，包括小風扇、加濕器、香薰機、小夜燈等。產品遠銷歐洲、美洲、俄羅斯、日本、韓國及東南亞等地區。我們極度重視客戶需求與反饋，並持續主動創新，不斷優化產品，力求為市場帶來更優質的產品。我們熱切期待與各界建立合作關係，共創雙贏局面。

Portable Handheld Fan

Embrace coolness wherever you go with our cutting-edge handheld fan. Designed for summer adventures, outdoor activities, and everyday use, it offers hours of continuous, adjustable airflow. Some models feature a mist function for extra refreshment. Sleek, lightweight, and stylish, it fits easily in your bag or pocket. Experience the ultimate in personal cooling and make a fashion statement too.

755 Transparent Handheld fan

Battery:1200 mAh
Feature:
1.Compact and handheld for convenient portability.
2.Transparent plastic with lighting for a modern ambiance.
3.Multiple color options to fit any setting.
4.Advanced energy-saving technology for rapid cooling.
Product size: 84*45*142mm

253 Transparent Handheld fan

Battery: 1200 mAh
Features:
1.Compact and handheld for convenient portability.
2.Transparent plastic with lighting for a modern ambiance.
3.Advanced energy-saving technology for rapid cooling.
4.Multiple color options to fit any setting.
Product Size: 64*39*138mm

251 Mini Handheld Fan

Battery:1200 mAh
Feature:
1.Compact and handheld for convenient portability
2.Three adjustable speed settings with quiet operation
3.Adjustable fan angle for optimal airflow
4.Advanced energy-saving technology for rapid cooling
Product size:77*51*146mm

236 Mini Handheld Fan

Battery:1200 mAh
Feature:
1.100-level stepless speed control with rollers
2.Digital display for speed and remaining battery
3.Integrated carabiner design for practicality
4.Handheld and portable for easy use and storage
Product size:88*38*191mm

233 Mini Handheld Fan

Battery:3600 mAh
Feature:
1.100-level stepless speed control with rollers
2.Digital display for speed and remaining battery
3.Handheld and portable for easy use and storage
4.Convenient night light design at the base
Product size:106*38*213mm

258 Foldable Handheld fan

Battery:5200 mAh
Feature:
1.Built-in power bank with charging cable
2.Compact and Foldable design for portable use
3.Three adjustable speed settings with quiet operation
4.Advanced energy-saving technology for rapid cooling
Product size:105*38*216mm

682 Portable Handheld Fan

Battery:1200 mAh
Feature:
1.Handheld and portable for easy use and storage
2.Advanced energy-saving technology for rapid cooling
3.Multiple color options to fit any setting
4.Equipped with rechargeable 1200mAh battery for easy use
Product size:130*48*41mm

756 Handheld Spray Fan

Battery:2000 mAh
Feature:
1.Compact and handheld for convenient portability
2.Circular tank with mist spray for quick cooling
3.Multiple color options to fit any setting
4.Equipped with rechargeable 2000mAh battery for easy use
Product size:107.6*50*192mm

Turbo Ice Cooling Fan

The innovative handheld high-speed ice cooling fan offers instant relief from the heat. Designed to quickly cool you down, it combines powerful airflow with ice-cooling functionality, making it ideal for hot days or intense workouts. Compact and portable, it delivers high-speed cooling wherever you go, with adjustable speeds and quiet operation for a comfortable experience. Stay refreshed and cool on the move with this sleek, efficient cooling solution.

752 Folding Turbo Fan

- Battery:3600 mAh
Feature:
- 1.100-level speed adjustment with button control
 - 2.High-speed brushless motor for rapid cooling
 - 3.Digital display for speed and remaining battery
 - 4.Featuring foldable design and hanging loop for easy use
- Product size:59*57*173mm

753K High-speed Cooling Fan

- Battery:3600 mAh
Feature:
- 1.Innovative ice-cooling technology for an instant chill
 - 2.Digital display for tracking remaining battery life
 - 3.Easy button control for adjustable speeds
 - 4.Featuring foldable design and hanging loop for easy use.
- Product size:59*58.5*173mm

357 High-speed fan

Battery:3600 mAh

Feature:

- 1.Innovative ice-cooling technology for an instant chill
- 2.Compact and lightweight design for easy portability
- 3.Digital display for tracking remaining battery life
- 4.Easy button control for adjustable speeds

Product size:153*60*58mm

357Pro High-speed fan

Battery:3600 mAh

Feature:

- 1.High-speed brushless motor for quiet operation
- 2.Compact and lightweight design for easy portability
- 3.Digital display for tracking remaining battery life
- 4.Easy button control for adjustable speeds

Product size:155*60*56mm

229 Handheld High-speed fan

Battery:3600 mAh

Feature;

- 1.High-speed brushless motor for quiet operation
- 2.Smooth 100-level speed adjustment with roller control
- 3.Digital display for tracking remaining battery life
- 4.Convenient under-base night light design

Product size:60*60*167mm

229A High-speed fan

Battery:3600 mAh

Feature:

- 1.Innovative ice-cooling technology for an instant chill
- 2.Smooth 100-level speed adjustment with roller control
- 3.Digital display for tracking remaining battery life
- 4.Ice-cooling tech for instant chill

Product size:60*60*167mm

678 Handheld Turbo fan

Battery:3000 mAh

Feature:

- 1.High-speed brushless motor for rapid cooling
- 2.Digital display for speed and remaining battery
- 3.Compact and lightweight design for easy portability
- 4.Minimalist design with metallic for a premium feel

Product size:147*57*60mm

679 Handheld Turbo fan

Battery:3000 mAh

Feature:

- 1.High-speed brushless motor for rapid cooling
- 2.Digital display for speed and remaining battery
- 3.Compact and lightweight design for easy portability
- 4.Multiple color options to fit any setting

Product size:152*56*62mm

387 Foldable Handheld Fan

Battery: 1800 mAh

Feature:

- 1.High-speed brushless motor for rapid cooling
- 2.Digital display for tracking remaining battery life
- 3.Foldable for convenient desktop use
- 4.Smooth 100-level speed adjustment with button control

Product size: 190*74*43mm

269 High-speed Cooling Fan

Battery:4000 mAh

Feature:

- 1.Innovative ice-cooling technology for an instant chill
- 2.Digital display for tracking remaining battery life
- 3.Smooth 100-level speed adjustment with button control
- 4.Foldable and adjustable to various angles for easy use

Product size:60*52*175mm

262 Handheld Turbo Fan

Battery:2000 mAh

Feature:

- 1.Mini and portable fits versatile occasion
- 2.High-speed brushless motor for rapid cooling
- 3.Light indicator for tracking remaining battery life
- 4.Easy button control for adjustable speeds

Product size:37*51*113mm

237 Handheld fan

Battery:3000 mAh

Feature:

- 1.High-speed brushless motor for quiet operation
- 2.100-level speed adjustment with roller control
- 3.Digital display for tracking remaining battery life
- 4.Compact and lightweight design for easy portability

Product size:60*60*163mm

268 Handheld Turbo Fan

Battery:4000 mAh

Feature:

- 1.Compact and lightweight design for easy portability
- 2.High-speed brushless motor for rapid cooling
- 3.Digital display for tracking remaining battery life
- 4.Smooth 100-level speed adjustment with button control

Product size:37*63*121mm

270 Handheld Turbo Fan

Battery:4000 mAh

Feature:

- 1.Transparent casing design, innovative and unique
- 2.High-speed brushless motor for rapid cooling
- 3.Digital display for tracking remaining battery life
- 4.Smooth 100-level speed adjustment with button control

Product size:37*63*127mm

Portable Versatile Fan

The Portable Versatile Fan is your perfect companion for comfort on the go. Compact and lightweight, it delivers powerful airflow for quick relief, whether at home, in the office, or outdoors. With multiple speed settings and quiet operation, it adapts to any situation, ensuring a cool, comfortable experience wherever you are. Stay refreshed and relaxed with this sleek, versatile fan.

235 Mini Handheld Fan

Battery:1200 mAh
Feature:
1.Ultra-slim design for easy portability 2.Versatile for handheld or desktop use
3.Three quiet speed settings 4.Convenient night light design
Product size:76*24*148mm

259 Portable Clip Fan

Battery:1200 mAh
Feature:
1.Clamped on umbrella handle, multi-angle rotation
2.Versatile for clip or desktop use
3.Various wind speed settings
4.Compact and lightweight design for easy portability
Product size:60*72*106mm

260 Portable Handheld Fan

Battery:2500 mAh
Feature:
1.Compact and lightweight design for easy portability
2.Digital display for tracking remaining battery life
3.Four wind speed settings
4.Integrated makeup mirror and phone stand
Product size:78*25*158mm

261 Portable Clip Fan

Battery:1000 mAh
Feature:
1.Clamped on umbrella handle, multi-angle rotation
2.Detachable fan and clamp for handheld use
3.Various wind speed settings
4.Compact and lightweight design for easy portability
Product Dimensions:74*101*47mm

Personal Neck Fan

The Personal Neck Fan offers hands-free cooling wherever you go. Designed to be worn comfortably around your neck, it delivers a refreshing breeze to keep you cool during outdoor activities, travel, or daily routines. With adjustable speeds and quiet operation, it provides personalized comfort without disruption. Lightweight and portable, this fan is perfect for staying cool on the move, keeping you refreshed all day long.

757 Portable Neck Fan

Battery:1200 mAh

- Features:
- 1.Four adjustable wind speed settings
 - 2.Detachable clip fits versatile occasion
 - 3.Comes with a lanyard for easy neck hanging use
 - 4.Lightweight design for easy portability.

Product size:105*60*70mm

203 Portable Neck Fan

Battery:2000 mAh

- Features:
- 1.Three adjustable wind speed settings
 - 2.Detachable clip fits versatile occasion
 - 3.Comes with a lanyard for easy neck hanging use
 - 4.Lightweight design for easy portability

Product size:83*123*43mm

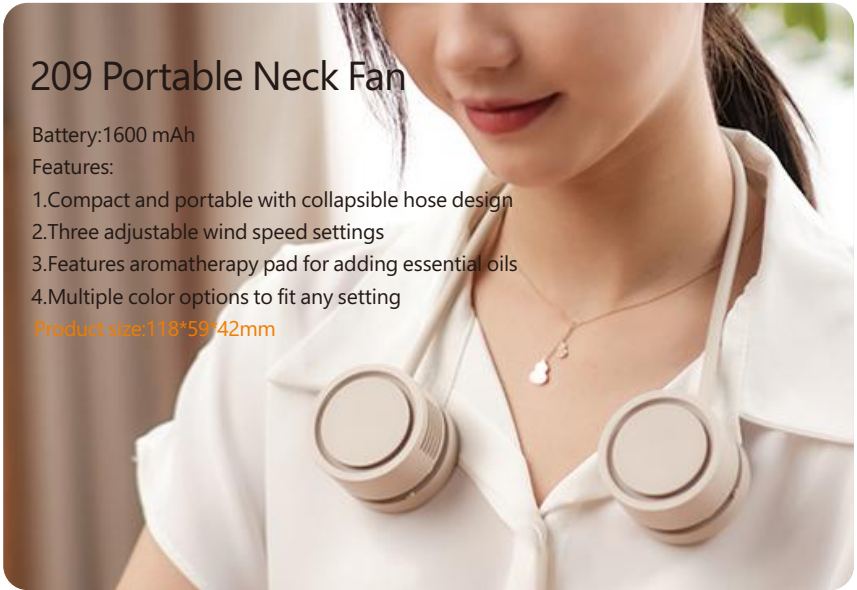

209 Portable Neck Fan

Battery:1600 mAh

- Features:
- 1.Compact and portable with collapsible hose design
 - 2.Three adjustable wind speed settings
 - 3.Features aromatherapy pad for adding essential oils
 - 4.Multiple color options to fit any setting

Product size:118*59*42mm

205 Portable Neck Fan

Battery: 2000 mAh

- Features:
- 1.Three adjustable wind speed settings
 - 2.Detachable clip fits versatile occasion
 - 3.Comes with a lanyard for easy neck hanging use
 - 4.Lightweight design for easy portability.

Product size: 78*118*38mm

210 Portable Neck Fan

Battery:1600 mAh

- Features:
- 1.Compact and portable with collapsible hose design
 - 2.Three adjustable wind speed settings
 - 3.Equipped with rechargeable 1600mAh battery for easy use
 - 4.Multiple color options to fit any setting

Product size:118*59*49mm

Outdoor Waist Fan

The Outdoor Waist Fan is the perfect outdoor companion, combining comfort and functionality. With a large-capacity battery, it provides long-lasting cooling for extended use, making it ideal for hiking, camping, or outdoor activities. Some models feature a power bank function, allowing you to charge your devices on the go. Lightweight, portable, and hands-free, it keeps you cool and refreshed while you stay active, offering reliable performance whenever you need it most.

267 Outdoor Waist Fan

Battery:8000 mAh

Features:

- 1.Versatile for waist hanging or desktop use
- 2.Equipped with 8000mAh battery for easy use
- 3.Three adjustable wind speed settings
- 4.Multi functions as a power bank

Product size:91*51*103mm

230 Outdoor Waist Fan

Battery:3600 mAh

Features:

- 1.Versatile for waist hanging or desktop use
- 2.Digital display for speed settings & battery level
- 3.Five adjustable wind speed settings
- 4.Incorporated flashlight design

Product size:99*70*89mm

215 Outdoor Waist Fan

Battery:6000 mAh

Features:

- 1.Versatile for waist hanging or desktop use
- 2.Over 22 hours of battery life
- 3.Three adjustable wind speed settings
- 4.Multi functions as a power bank

Product size:90*51*117 cm

222 Outdoor Waist Fan

Battery:8000 mAh

Features:

- 1.Versatile for waist hanging or desktop use
- 2.Incorporated flashlight design
- 3.Three adjustable wind speed settings
- 4.Multi functions as a power bank

Product size:97*71*92mm

Portable Desk Fan

The Portable Desk Fan is the perfect way to stay cool at work or home. Its compact design fits seamlessly on any desk, offering powerful airflow with quiet operation for a comfortable, distraction-free experience. With adjustable speed settings, it provides personalized cooling to suit your needs. Lightweight and easy to move, this fan is ideal for keeping you refreshed wherever you need it most.

257 Portable Desktop Fan

- Battery: 2000 mAh
Feature:
- 1.Adjustable fan angle for optimal airflow
 - 2.Versatile use as a desktop or ceiling fan
 - 3.Three wind speeds + one natural breeze mode
 - 4.Equipped with rechargeable 2000mAh battery for easy use
- Product size:153*82*174mm

256 Portable Desktop Fan

- Battery:2000 mAh
Feature:
- 1.Adjustable fan angle for versatile usage
 - 2.Retro wooden-grain handle for stylish portability
 - 3.Three wind speeds + one natural breeze mode
 - 4.Equipped with rechargeable 2000mAh battery for easy use
- Product size:153*74*204mm

231 Portable Desk Fan

- Battery:1800 mAh
Feature:
- 1.Adjustable fan angle for versatile usage
 - 2.Digital display for speed and battery life
 - 3.Convenient night light design
 - 4.Four wind speeds + one natural breeze mode
- Product size:124*101*170mm

696 Portable Desktop Fan

- Battery:2000 mAh
Feature:
- 1.Automatic oscillating for all-around cooling
 - 2.Three adjustable speeds for perfect coolness
 - 3.Multiple color options to fit any setting
 - 4.Advanced energy-saving technology for rapid cooling
- Product size:116*118*95mm

226 Portable Desk Fan

Battery:3600 mAh
Feature:
1.Adjustable fan angle for versatile usage
2.Digital display for speed and battery life
3.Convenient night light design
4.Four wind speeds + one natural breeze mode
Product size:160*101*243mm

227 Portable Desk Fan

Battery:3600 mAh
Feature:1.Adjustable fan angle for customized airflow
2.Digital display for speed and battery life
3.Portable with carry handle and foldable for easy storage
4.Four wind speeds + one natural breeze mode
5.Convenient night light design
Product size:162*162*65mm

228 Portable Desk Fan

Battery:3600 mAh
Feature:
1.Adjustable fan angle for versatile usage
2.Digital display for speed and battery life
3.Convenient night light design
4.Four wind speeds + one natural breeze mode
Product size:160*136*253mm

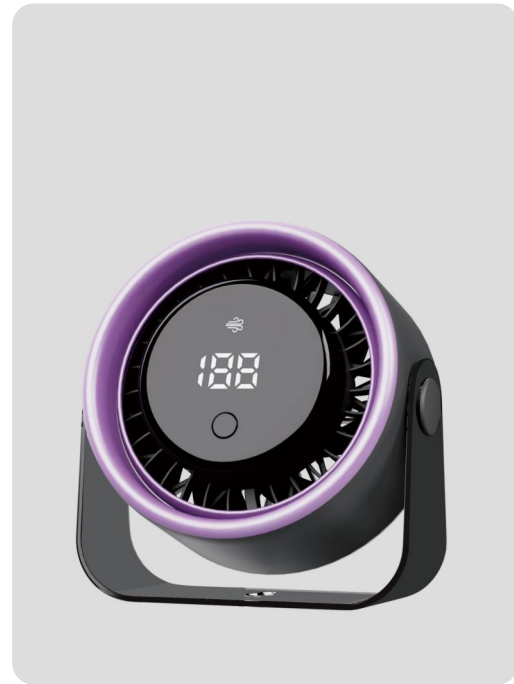

689 Transparent Desktop Fan

Battery:2000 mAh
Feature:
1.Transparent plastic with lighting for a modern ambiance
2.Adjustable fan angle for optimal airflow
3.Versatile use as a desktop or ceiling fan
4.One-button control for multiple wind speed settings
Product size:141.3*63.5*150mm

750 Portable Desktop Fan

Battery:3600 mAh
Feature:
1.Digital display for speed and battery life
2.Adjustable speeds for perfect coolness
3.100-step speed adjustment for perfect coolness
4.Versatile use as a desktop or ceiling fan light effects
Product size:162*98.5*185.5mm

683 Portable Desktop Fan

Battery:3600 mAh
Feature:
1.Digital display for speed and battery life
2.Adjustable speeds for perfect coolness
3.Multiple color options to fit any setting
4.Versatile use as a desktop or ceiling fan
Product size:146.3*69.5*143.7mm

355 Desktop Circulator

Battery:4000 mAh

Feature:

- 1.Adjustable fan angle for personalized airflow
- 2.Versatile for both desktop and ceiling use
- 3.Three powerful yet whisper-quiet speed settings
- 4.Powerful airflow enhances indoor air circulation

Product size:205*189*128mm

265 Portable Desktop Fan

Battery:4000 mAh

Feature:

- 1.Equipped with remote control and timer function
- 2.100-step speed adjustment for perfect coolness
- 3.Colorful light modes, versatile for wall mounting
- 4.Powerful airflow enhances indoor air circulation

Product size:169*98*179mm

675 Portable Desktop Fan

Battery:3000 mAh

Feature:

- 1.Digital display for speed and battery life
- 2.Adjustable speeds for perfect coolness
- 3.Multiple color options to fit any setting
- 4.Powerful airflow enhances indoor air circulation

Product size:141*183mm

360 Desktop Tower Fan

Battery:2000 mAh

Feature:

- 1.Bladeless design promotes air circulation
- 2.Suitable for horizontal, vertical, or wall-mounted use
- 3.2000mAh battery with three speed settings
- 4.Display shows current speed and battery level

Product size:87*83*312mm

361 Desktop Tower Fan

Battery: 3600 mAh

Feature:

- 1.3600mAh battery with three speed settings.
- 2.8-hour timer for convenient operation.
- 3.90-degree oscillation for widespread airflow.
- 4.Display shows current speed and battery level.

Product size: 110*110*340mm

Versatile Camping Fan

The Versatile Camping Fan is packed with features to enhance your outdoor experience. With powerful airflow and a large-capacity battery, it ensures long-lasting cooling during your adventures. Some models also double as a power bank, keeping your devices charged, while others can be hung for hands-free use or provide additional lighting with built-in LED lights. Perfect for camping, hiking, or any outdoor activity, this fan is designed to meet all your needs in one compact, multifunctional device.

201 Portable Camping Fan

Battery: 10000 mAh
Features:
1. Detachable aluminum alloy tripod design.
2. Colorful lighting with adjustable brightness.
3. 5-speed wind settings and 3-level timer function (1h, 3h, 5h).
4. Integrated power bank and remote control capabilities.
Product size: 375*330*450mm

602 Portable Camping Fan

Battery: 10000 mAh
Features:
1. Detachable aluminum alloy tripod design
2. Warm lighting with adjustable brightness
3. Four adjustable speeds for perfect coolness
4. Powerful wind force for rapid cooling
Product size: 372*316*468mm

601 Portable Camping Fan

Battery: 10000 mAh
Features:
1. Detachable aluminum alloy tripod design
2. Equipped with a handle for easy carrying and mobility
3. Four adjustable speeds for perfect coolness
4. Powerful wind force for rapid cooling
Product size: 256*253*351mm

213 Portable Camping Fan

Battery:4000 mAh
Features:
1.Premium detachable aluminum alloy tripod design
2.Versatile usage as table fan and ceiling fan
3.Three adjustable speeds for perfect coolness
4.Adjustable fan angle for versatile usage
Product size: 175*193*337mm

212 Portable Camping Fan

Battery:10000 mAh
Features:
1.Premium detachable aluminum alloy tripod design
2.Versatile usage as table fan, ceiling fan and light
3.Adjustable timer settings with 3 options (1h, 3h, 5h)
4.With power bank function and 10K mAh long-lasting battery life
Product size:192*183*342mm

216 Portable Camping Fan

Battery:10000 mAh
Features:
1.Premium detachable aluminum alloy tripod design
2.Versatile usage as table fan, ceiling fan and light
3.Adjustable timer settings with 3 options (1h, 3h, 5h)
4.With power bank function and 10K mAh long-lasting battery life.
Product size:260*255*375-563mm

335 Portable Camping Fan

Battery:7000 mAh
Features:
1.Detachable aluminum alloy tripod design
2.Equipped with a handle for easy carrying and mobility
3.Remote control for various powerful wind speeds
4.Warm lighting with adjustable brightness
Product size:236*236*96mm

365 Versatile Camping Fan

Battery:20000 mAh
Feature:
1.Digital display for speed and battery life
2.Remote control for various powerful wind speeds
3.With power bank function and 20K mAh battery life
4.Versatile usage as table fan, ceiling fan and light
Product size:254*254*145mm

637 Versatile Camping Fan

Battery:10000 mAh
Features:
1.Digital display for speed and battery life
2.100-level speed adjustment with knob control
3.With power bank function and 10K mAh battery life
4.Versatile usage as table fan, ceiling fan and light
Product size:222*137.4*252.2mm

271 Versatile Camping Fan

Battery:20000 mAh

Feature:

- 1.Digital display for speed and battery life
- 2.Warm lighting with adjustable brightness
- 3.Five wind speed settings with timer function
- 4.Versatile usage as table fan, ceiling fan and light

Product size:243*300*110mm
